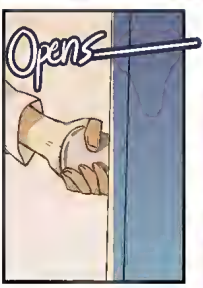
.....

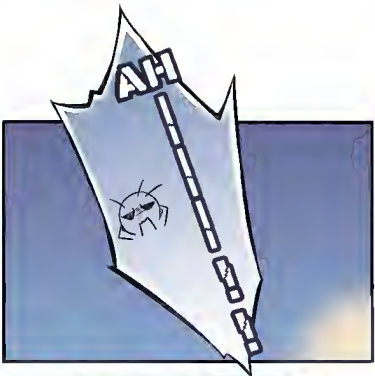
Ah, it'll soon be dawn.

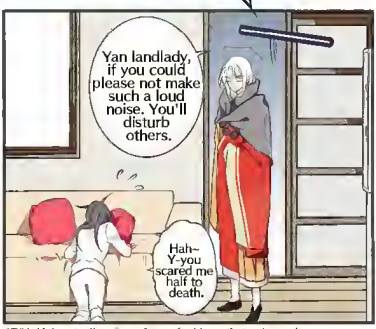


Opens

I've been in this world for 4 days now...

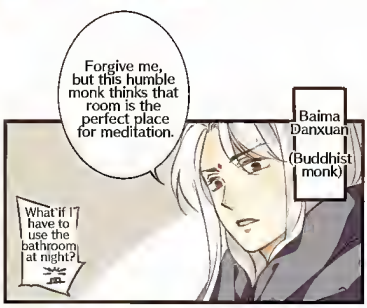
Ah?





*T/N- He's actually using a form of address that only monks use which doesn't exist in english so I'm just subbing in landlady for it.

Yan Qi (university student)
You stupid monk! Didn't I tell you not to sit in the bathroom at night without the lights on!? Are you trying to scare the living daylights outta people?



Forgive me, but this humble monk thinks that room is the perfect place for meditation.
Baima Danxuan (Buddhist monk)
What if I have to use the bathroom at night?

If landlady Yan is going to be that stubborn then this humble monk shall just keep his mouth shut.
Who's being stubborn? This is my house!
Again! Everytime this guy makes that dumb expression and sound,
it makes it seem like I'm the one who did something wrong?!
Idiot monk, you still can't remember how to go back?

This humble monk does not.
Ah, what else doesn't he know?

I met this monk 3 days ago when I was on a trip. I unwittingly "picked" him up.

At that time he was laying unconscious in a thick clump of grass.
Hey are you dead?

As the saying goes, "saving one life is more meritorious than building a seven-tiered pagoda" I thought I couldn't just let him die, so I saved him.

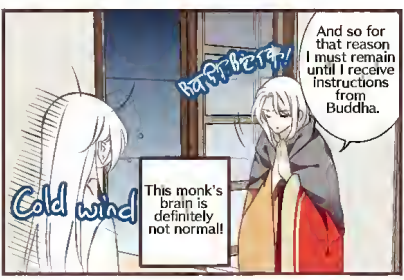
But...

But it seems my benevolence has yet to reward me,
Hey monk, how long do you plan on staying at my house?

Worry not landlady, it's only until the humble monk is able to leave.
Beneath his foolish monk facade is a rotten, villain who won't leave my house!

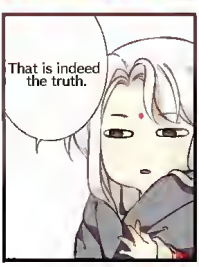
What's called supposed to be a thank you I endlessly doesn't understand!

Like I said before, this humble monk is from a distant millenium.



And so for that reason I must remain until I receive instructions from Buddha.
Cold wind
This monk's brain is definitely not normal!

If what you're saying is true then you must be a high ranking monk in your millenium.
(Sorry~I want to laugh)
This humble monk has never told a lie.



That is indeed the truth.

Aha~~
As he says...

ah
WHO'D BELIEVE THAT?!
ah
WHO'D BELIEVE THAT?!
ah
WHO'D BELIEVE THAT?!
ah

This guy truly is some kind of a scoundrel!
Actually what kind of mental hospital did you escape from?!

Ding Dong
Who is it?
...It's so early
Qiqi, it's your mom. I forgot my key, hurry up and open the door!
Drops
M-mother!!?
Wasn't she not supposed to come until next week?!
It's over. If she finds out I'm hiding a man, no a monk, she'll definitely murder me!
Moooom~ Just wait a minute! I'm in the bathroom!
